Commissioners of the Court of Pleas and Sessions of the County of Chester Ohio.

Thursington O August 8<sup>th</sup> 1873.

In the matter of the application of Territory to the Incorporated Village of Blanchester Chester County Ohio on the application of the Corporation. This being the day set apart for the hearing of the petition for the annexation of territory to the Incorporated Village of Blanchester. The same coming up for hearing and after considering & investigating the same finding that said petition contains all the matters required and that its statements are true that the Council passed an ordinance authorizing such annexation to the Village of a vote of all of the Members elected directing B. D. Scott as Solicitor or Atty. for the Corporation to prosecute the proceedings necessary to effect such annexation that the name proposed for such annexation is appropriate "Extensions to the Corporation of Blanchester" that the limits thereof have accurately described and that the same are not unreasonably large or small and the map or plat thereof is accurately made. And being further satisfied that the said petition has been given by the said Solicitor or Atty. as required by the law governing this case. And the County Court being of the right & proper in the exercise of their own discretion that such petition be granted they therefore ordered that the same be entered upon their Journal to the effect that the Extensions to the Corporation of Blanchester as named & asked for in the petition may be granted or organized as a part of the Incorporated Village of Blanchester.

It is hereby certified by the Board of County Commissioners that the foregoing is a complete and correct transcript of the proceedings had before them on the days and dates therein designated in the above stated case.
