NOTES:
The ded line references listed were used as a basic for carrying out the survey.

All monuments found or set are in good condition unless otherwise indicated.

The Professional Surveyor or CSR Land Surveying, LLC has made no investigation or independent search for
remnants of record, encroachment, restrictive covenants, ownership title evidence or any other fact that an accurate
and current title search may disclose. No abstract of title
or title commitment, or results of a title search were
furnished to the surveyor or CSR Land Surveying, LLC.

In providing this boundary survey no attempt has been
made to obtain or show data concerning any utility
existing on the subject property.

SURVEYOR'S CERTIFICATION
I hereby certify that this survey plot is a true and complete survey
made under my supervision and all monuments have been set or
found as shown.
