NOTE: Measurements were made on May 13, 2003. The Ohio State Plane Coordinate System used is based on NAD 83 (Ohio Datum 1913). The combined scale factor is .9999997235.
The coordinate system is based on a planar projection of the earth distance by the combined scale factor.
Measurments found or set are in good condition unless otherwise labeled.
Deeds & Survey Records as noted on drawing are source data for this survey.
