

2009 OHIO LAND RECORDS MODERNIZATION

CONFERENCE

PROGRAM FOCUS: *This one-day seminar will focus on Ohio's Land Records and its importance to county and state officials, as well as the private sector. This is not a GIS seminar and has been specifically designed to focus on providing a better understanding of the process and purpose of land records and tax mapping as well as the latest techniques and information. Many sessions provide an opportunity for Q&A with interaction between attendees and presenters. Time is also provided throughout the conference and reception to discuss and share concerns, knowledge and other issues.*

WHO SHOULD ATTEND:

Auditors, Commissioners, Engineers, Property Recorders and anyone involved with Land Records.
