

GIS Department Web Page

www.clintoncountyohgis.org

GIS Data File Types (description), Deed Reference Reports, USGS Quad Maps, GIS Department Projects, PDF Maps, Subdivision Plats (scanned images) Precinct Maps, Monumentation Information, Archived Tax Maps (scanned images of Townships & Municipalities), GIS Data Downloads, Flood Plain Maps, Order CD's & Maps Online, Census Maps, Units of Measure (Metric, Rods, Chains, etc.), Section Maps, Zoning Maps

Plus Much Much More!

The screenshot shows a Microsoft Internet Explorer browser window displaying the website for the Clinton County Geographic Information Systems Department. The browser's address bar shows the URL <http://www.clintoncountyohgis.org/>. The website header features the Clinton County Ohio logo and the text "Clinton County Geographic Information Systems Department" and "Your source for local Geographic Information." A small image of a map is shown with the text "Winner of the 2001 Best GIS Practices Award".

The main content area is organized into several sections:

- Navigation Menu:** A vertical list of yellow buttons on the left side, including: GIS File Types, USGS Maps, Printable PDF Maps, Intelligent PDF Maps, Precinct Maps, Archived Tax Maps, Flood Plain Maps, Census Maps, County Section Maps, Zoning Maps, Deed Reference, GIS Dept Projects, Surveys, Subdivision Plats, Monumentation, Downloads, and Place an Order.
- Map and Links:** A map of Ohio with a red square highlighting Clinton County. To its right is the text "FYI" and "County Auditors Office Web Page CLICK HERE". Below the map is the text "Our Home...." followed by links to "Clinton County Web Page" and "Clinton County Neighbors".
- Flood Plains Information:** A section titled "Lots of Information on Flood Plains..." with links to "Ohio DNR Division of Water - Floodplain Management", "Ohio DNR Floodplain Handbook", and "Challenges in FEMA's Flood Map Modernization Program - Report".
- Soils Information:** A section titled "Lots of Information on Soils..." with links to "Soils Description", "Natural Resources Conservation Service Web Soil Survey", "USDA 'Helping People Understand Soils'", and "Clinton County Soil Survey Nov 2003 Interim Report".

A "scroll Down for More" graphic is located in the upper right quadrant of the page content.
